FROM RAW MATERIAL TO VALUE-ADDED PRODUCTS

4

PROCESSED BOVINE MATERIAL

NON-HYDROLYZED COLLAGEN POWDER

Processed collagen material obtained from bovine source, carefully refined to deliver consistent quality and performance.

CONSISTENT QUALITY

Reliable raw material with controlled specifications.

FUNCTIONAL PERFORMANCE

Designed to support a wide range of food applications.

TRACEABLE SUPPLY

Full traceability from origin to processed material.

INDUSTRY COMPLIANT

Processed under recognized standards and good practices.

FOOD APPLICATIONS

MEAT PRODUCTS

Emulsification, texture improvement and yield enhancement.

FUNCTIONAL NUTRITION

Nutritional supplements and functional food formulations.

PET NUTRITION

Ingredient for pet food and animal feed formulations.

POTENTIAL APPLICATIONS

Our processed bovine materials are versatile ingredients used across multiple industries to enhance performance, quality and functionality in a wide range of applications.

APPLICATIONS ACROSS INDUSTRIES

MEAT PRODUCTS

Texture improvement, water retention, binding, and yield enhancement in sausages, ham, and other processed meat products.

FUNCTIONAL NUTRITION

Nutritional supplements and functional foods, providing high-quality protein and bioactive compounds.

PET NUTRITION

Ingredient for pet food and animal feed, contributing to palatability, protein content and digestibility.

SPORTS NUTRITION

Protein-rich ingredient for performance nutrition products and meal replacement formulations.

FOOD & BEVERAGES

Application in soups, sauces, beverages and snack foods to improve texture and nutritional value.

BAKERY & CONFECTIONERY

Enhances dough elasticity, moisture retention and texture in baked goods and confectionery.

DAIRY & ALTERNATIVES

Functional ingredient in dairy and plant-based products for texture, stability and protein enrichment.

SPECIALTY NUTRITION

Used in clinical nutrition, medical foods and therapeutic diet formulations.

INDUSTRIAL APPLICATIONS

Utilized in various industrial processes requiring protein functionalities and film-forming properties.

VALUE PROPOSITION

Delivering high-quality bovine-derived materials that create value, ensure consistency and support the success of our partners.

PREMIUM QUALITY

Carefully selected raw materials and controlled processes to ensure purity, safety and performance.

RELIABLE & CONSISTENT

Standardized production and strict quality control for uniformity in every batch.

TRUSTED PARTNERSHIP

Long-term relationships based on transparency, commitment and mutual growth.

SUSTAINABLE APPROACH

Responsible sourcing and processing practices that respect people, animals and the environment.

ADDING VALUE AT EVERY STEP

SELECTED RAW MATERIAL

Sourced from approved suppliers with full traceability and animal by-product compliance.

ADVANCED PROCESSING

Efficient, controlled and validated processes to preserve quality and functional properties.

QUALITY ASSURANCE

Rigorous testing and certifications to guarantee safety, consistency and regulatory compliance.

TAILORED SOLUTIONS

Flexible formats and specifications to meet the diverse needs of different industries.

CUSTOMER SUCCESS

Adding value to our partners' products and supporting their growth in competitive markets.

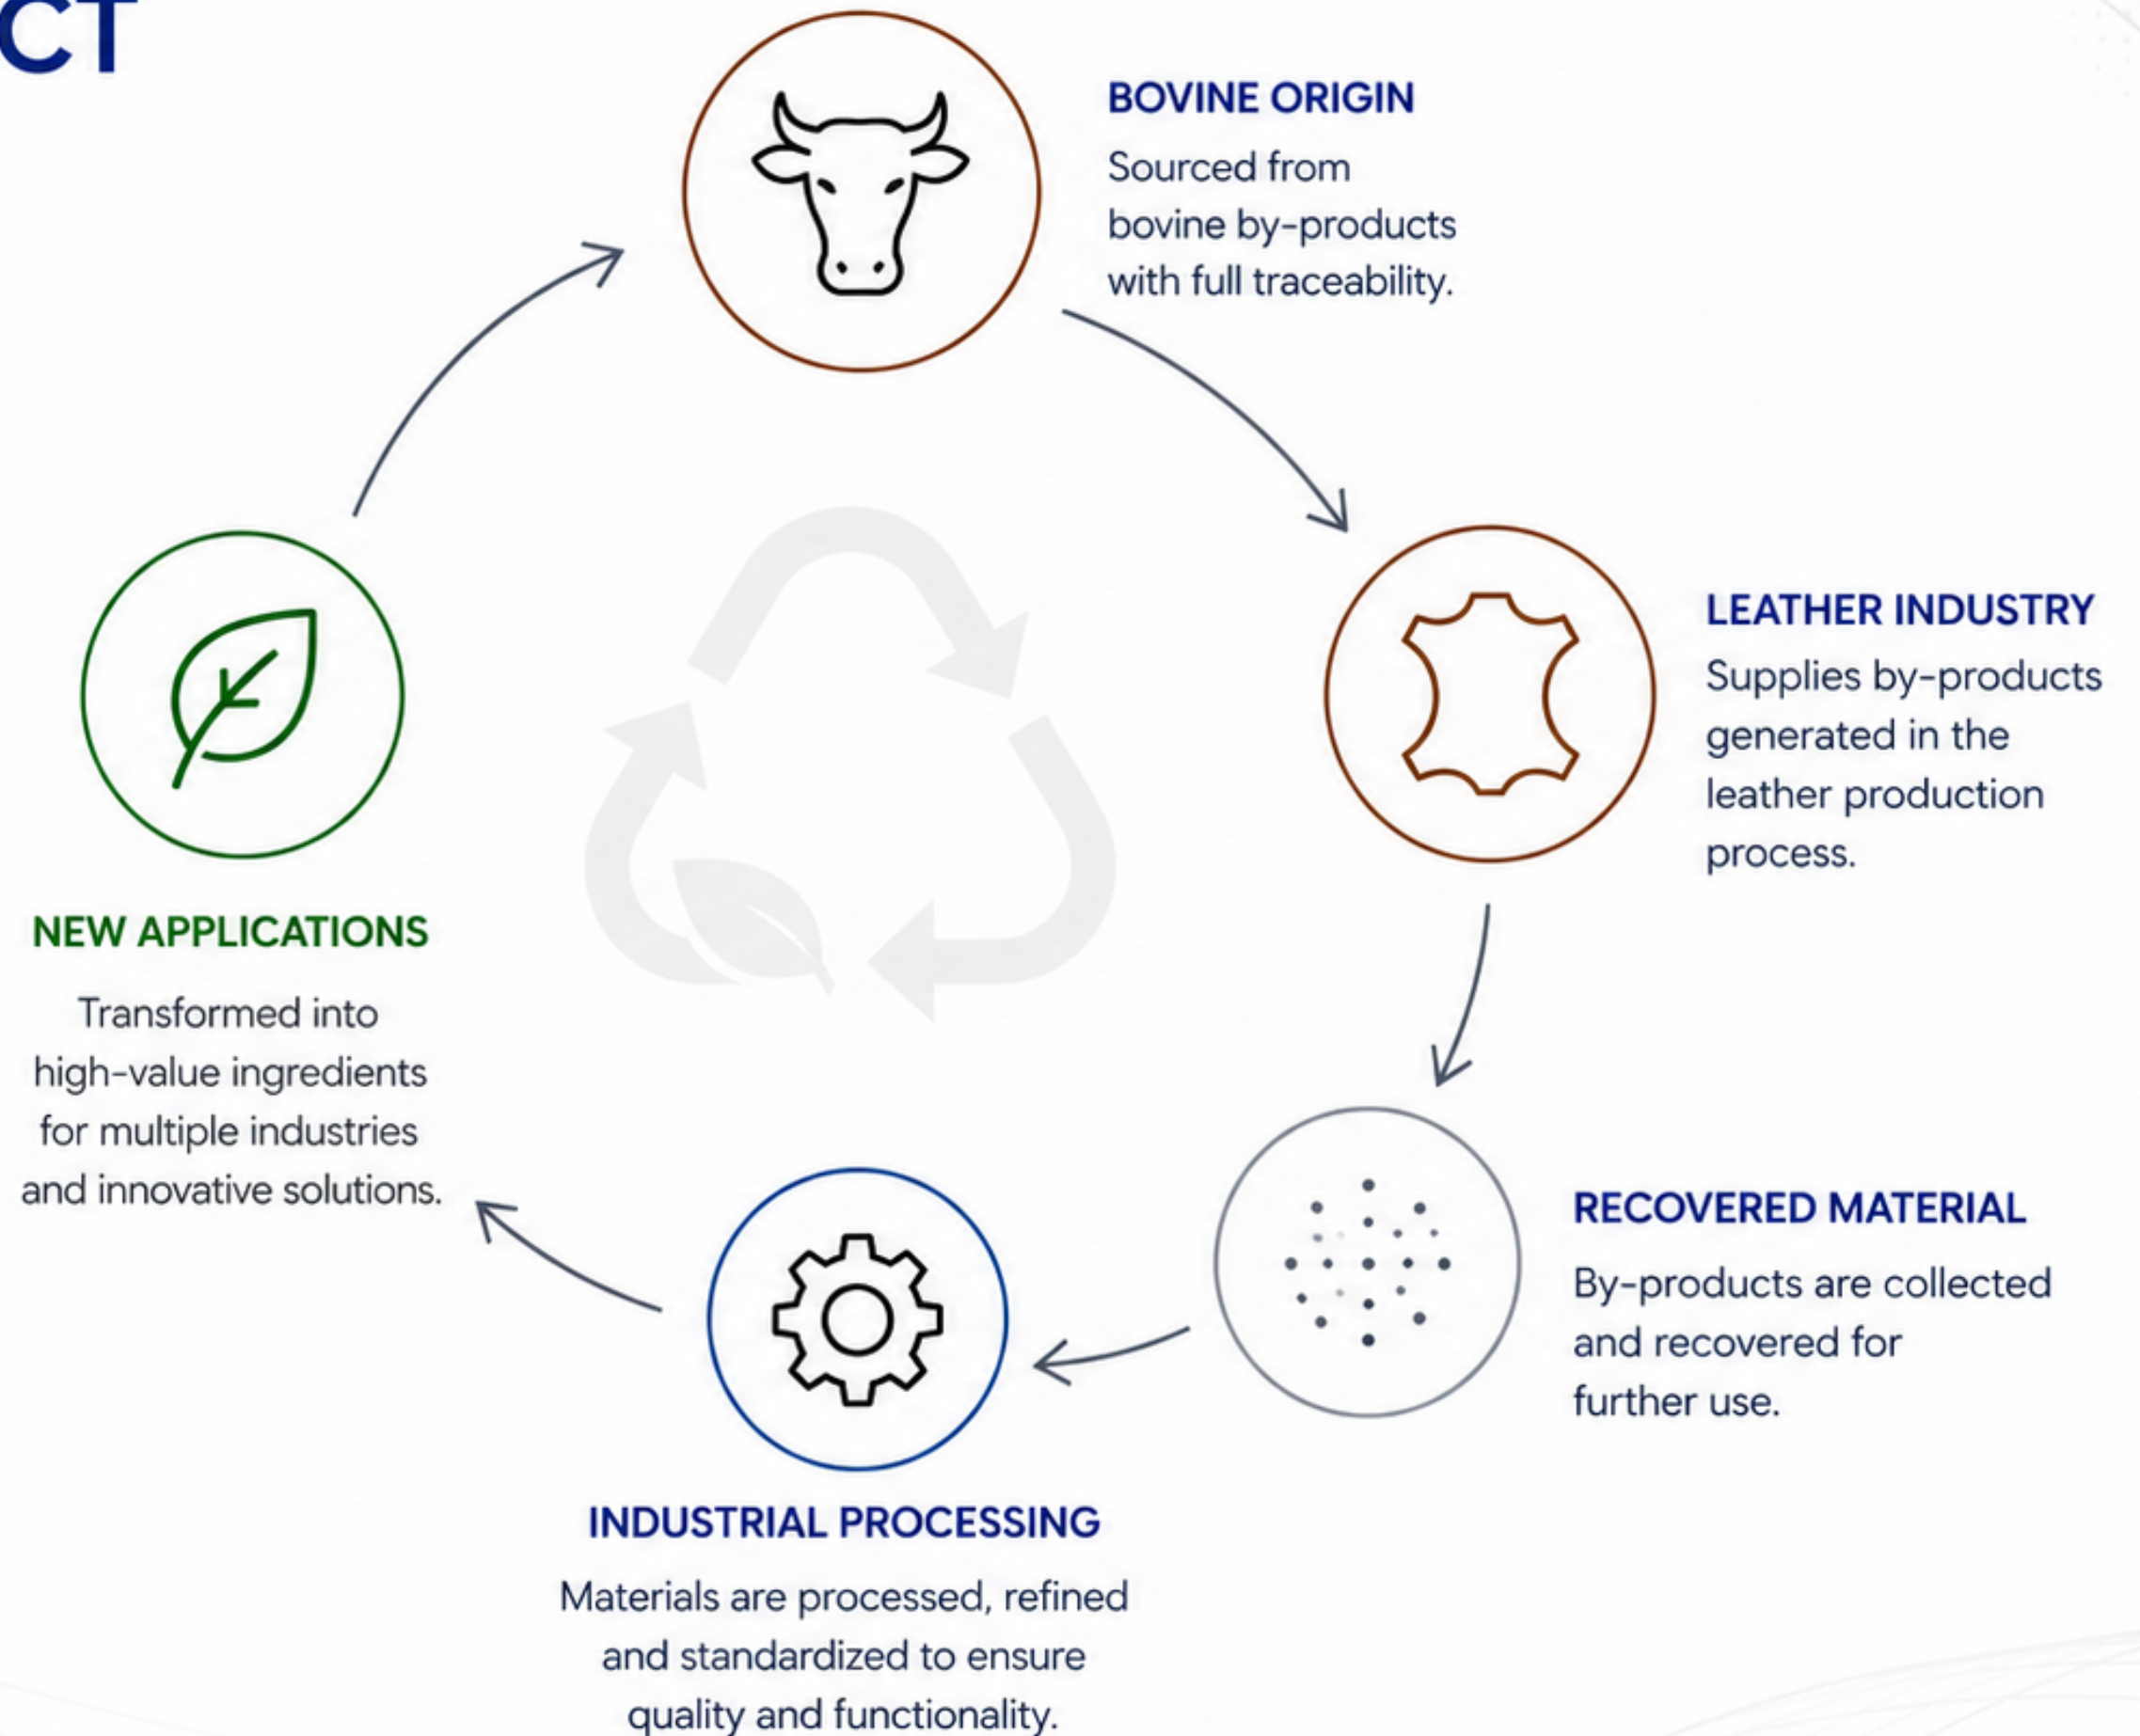

OUR COMMITMENT IS TO DELIVER MORE THAN INGREDIENTS.
WE DELIVER RELIABILITY, PERFORMANCE AND OPPORTUNITIES.

7

FROM BY-PRODUCT TO RESOURCE

Transforming bovine-derived materials into new industrial opportunities through a sustainable and circular approach.

8 QUALITY AND RESPONSIBILITY

TRACEABILITY

Origin transparency and full chain traceability.

CONSISTENT QUALITY

Controlled processes to ensure uniformity and reliability.

TECHNICAL COMPLIANCE

Produced under industrial standards and quality requirements.

SUSTAINABLE APPROACH

Committed to responsible sourcing and resource valorization.

PACKAGING AND SUPPLY

PACKAGING OPTIONS

Bulk bags or bags according to customer requirements.

SUPPLY FLEXIBILITY

Volumes and specifications adapted to each project and application.

LOGISTICS SUPPORT

Global logistics solutions ensuring safe and efficient delivery.

FLEXIBILITY. RELIABILITY. PARTNERSHIP.

THANK YOU!

We are ready to support your business with reliable leather solutions and long-term partnerships.

PARTNERSHIP

Building strong and lasting relationships.

FOCUS

Delivering quality, efficiency and value.

GLOBAL VISION

Connecting markets and creating opportunities.

“
**QUALITY LEATHER.
RELIABLE SOLUTIONS.
LASTING PARTNERSHIPS.**
